

# HOW DO YOU KNOW WHEN... ITS TIME TO INTERVENE

## Not like it once was

She looks off

## Quick Progression

She surprises you by how quickly she commits to the relationship

## Excuses

She defends him and justifies his actions

## Standing between us

She is not aware that he is pushing her

## Distance

She shortens conversations and meetings

## Spying on her

She is vigilant and stressed

**Six warning signs. Want to intervene?**
