

HOW DO YOU KNOW WHEN... **ITS TIME TO INTERVENE**

Not like it once was

She looks
off

Quick Progression

She surprises you by how quickly
she commits to the relationship

Excuses

She defends him
and justifies
his actions

Standing between us

She is not aware that
he is pushing her

Distance

She shortens
conversations and
meetings

Spying on her

She is vigilant and
stressed

Six warning signs. Want to intervene?
